Also from the editor:-

In a futuristic world of the late 21st century, an ageing woman and her girlfriends decide to share the same man.

Millions of men have renounced relationships in favour of robots. But most women still crave relationships with real humans.

Meet Angelique: her friends think she's nuts - and they're not far wrong. She decides to share her man with her best friend. Then her best friend meets a sensual woman in her 70s, with a fetish for domination. What ensues is a crazy series of adventures (and misadventures). It all escalates when Angelique meets a shy, submissive woman who wants to break out of her shell - someone who can become her slave.

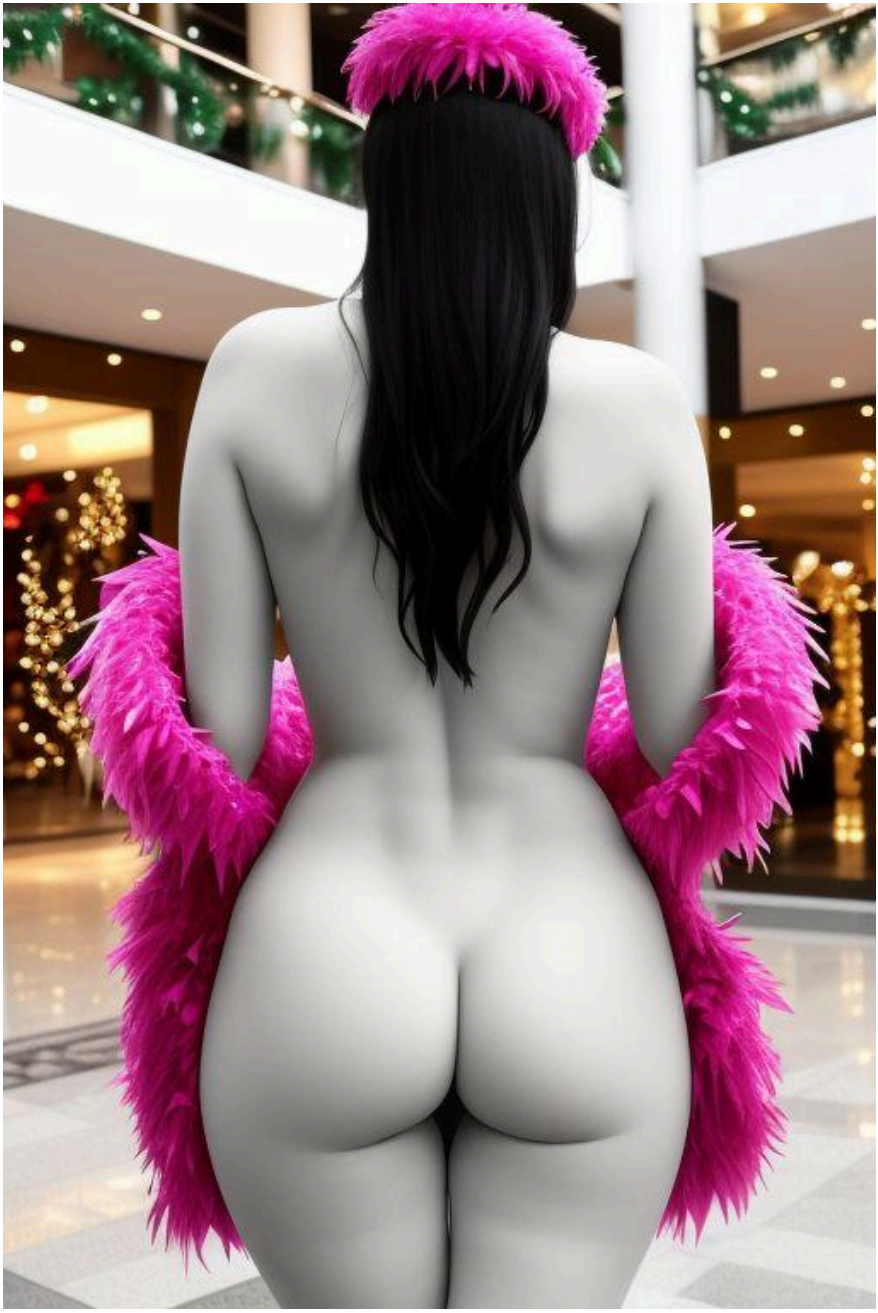
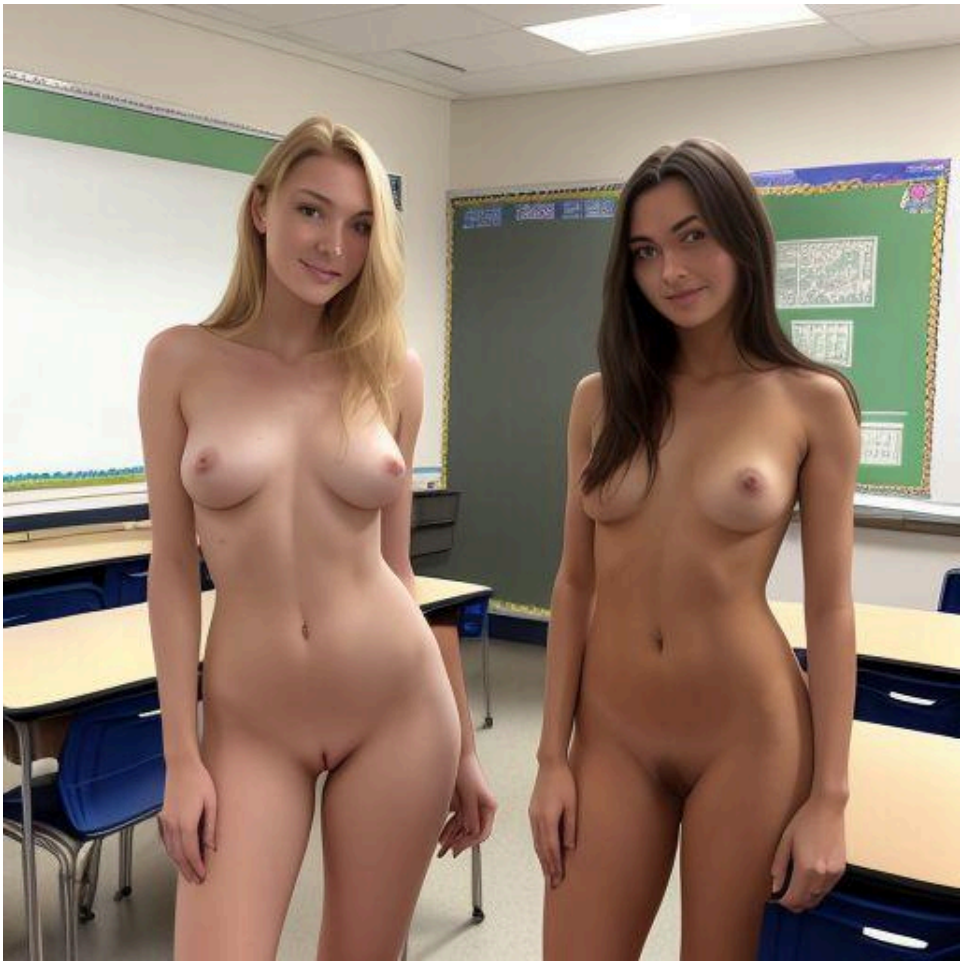
It's Christmas Time

Christmas Time is a beautiful season for giving free gifts, donating to charity and helping the needy. These lovely models of *Perfectly Imperfect Gals* decided to pose for free, as an act of charity, giving a free gift to all the needy readers. Thank you so much, and many happy returns!



Teacher & Student



Sexy university teachers and their fully grown, 18+ year-old students learn a lot in classroom activities. A group of them were approached by our agents to pose for the magazine. We got a whole bunch of pictures and paintings. Unfortunately, someone snitched, and reported them to the principal. The teachers were all sacked and the students were suspended.

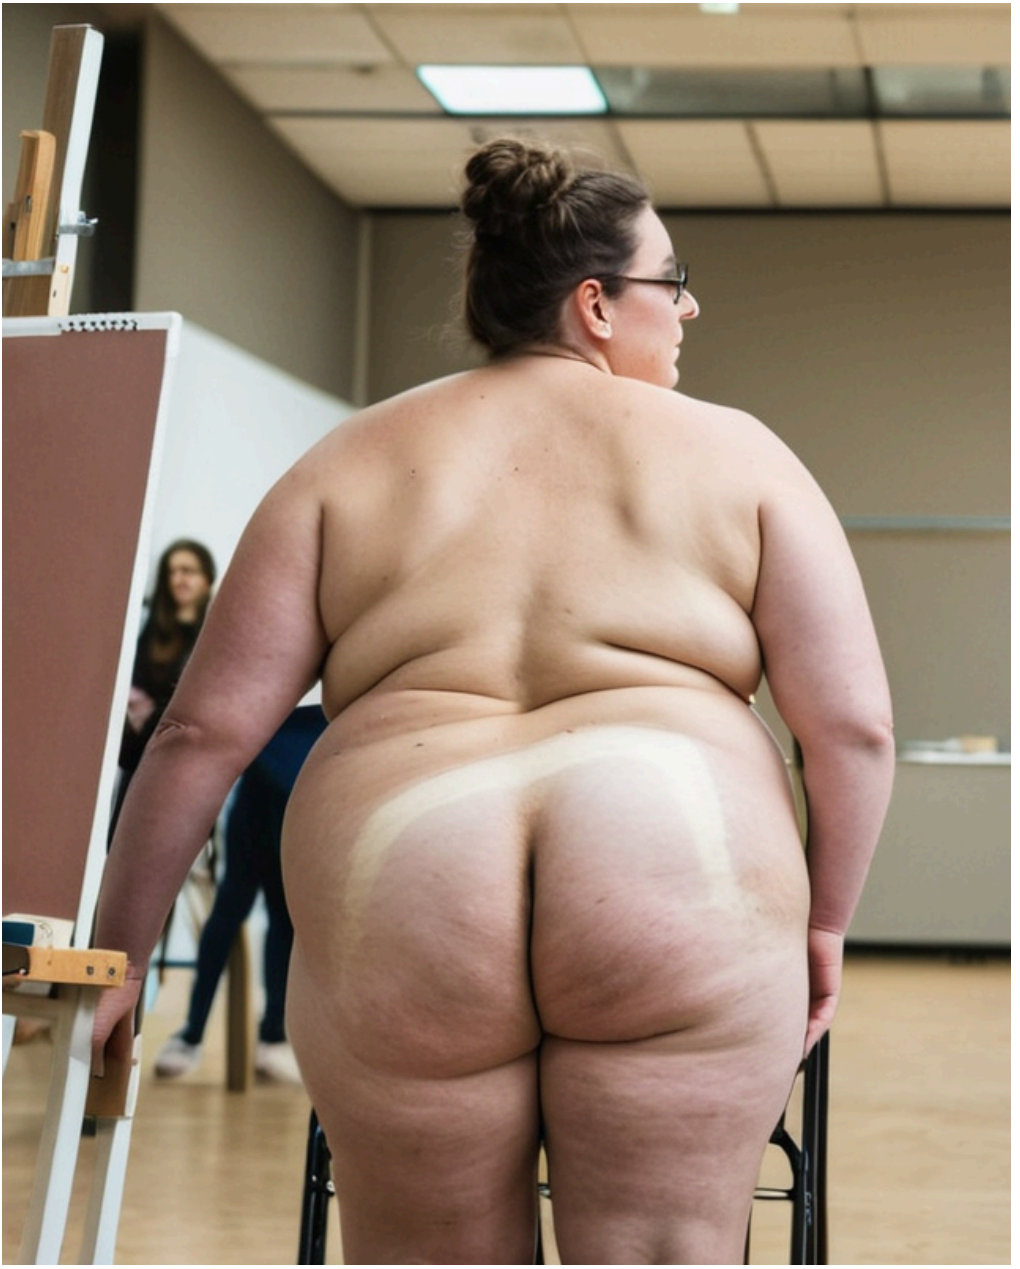
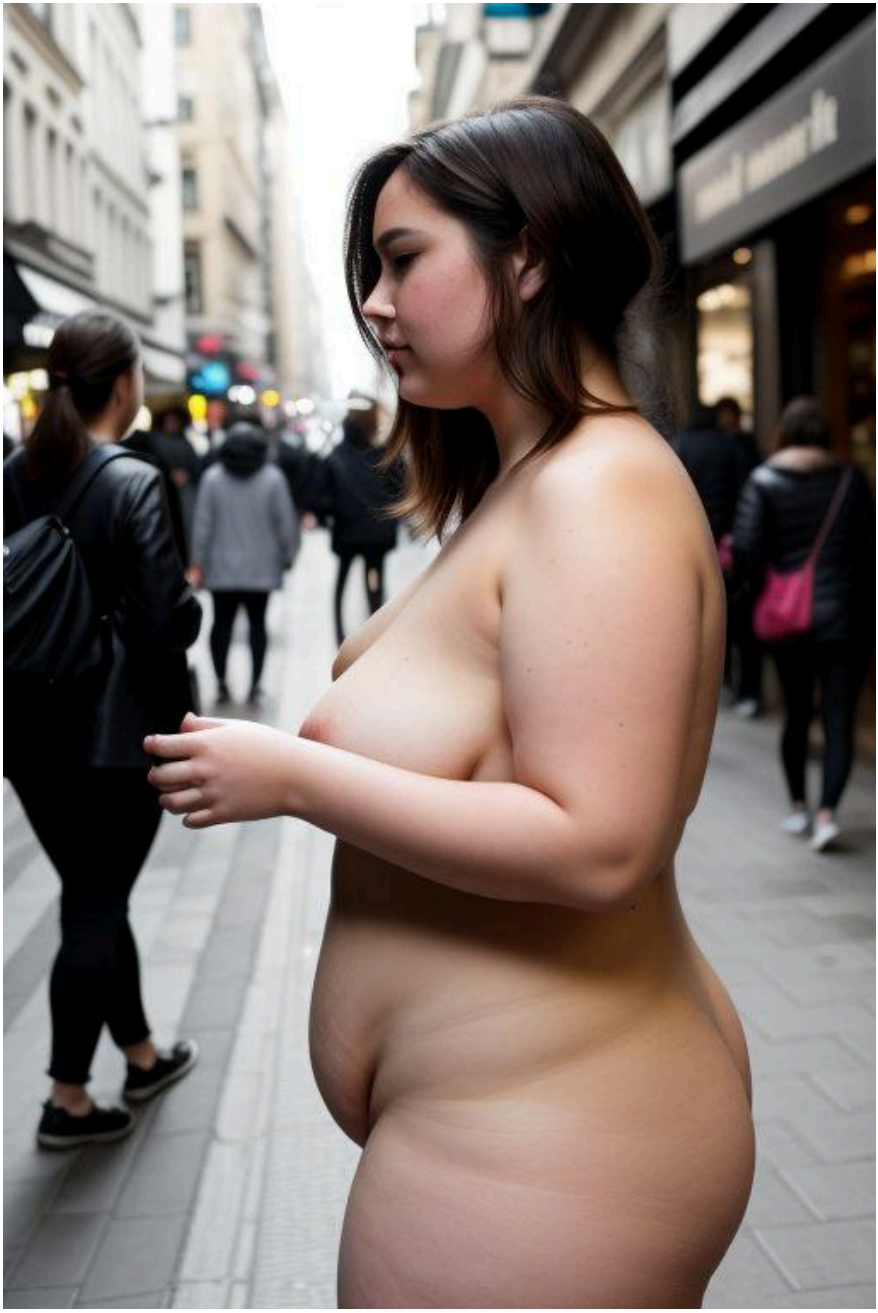
Life Models

Not all women get the coveted opportunity to work as a nude model. Shyness, inhibitions, body insecurities, taboo superstitions and other reasons prevent many women from liberating their bodies of clothing. But it's not the clothes they are liberated from - it's the fears and insecurities holding them back.

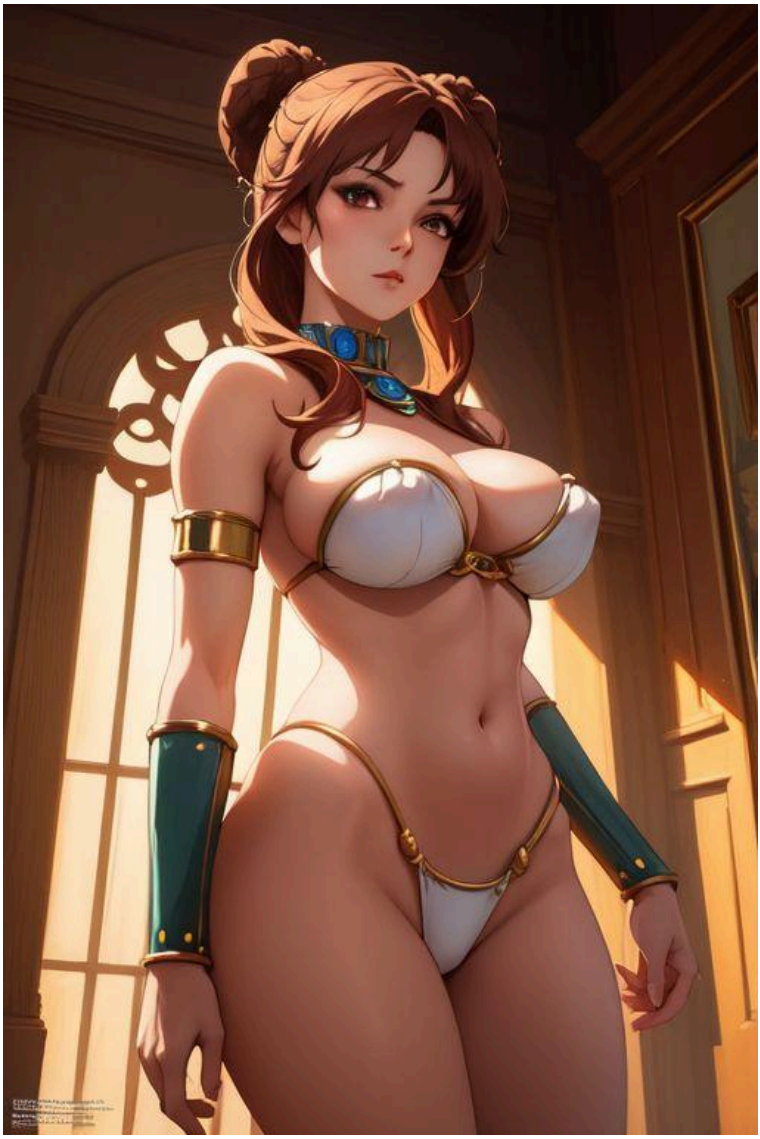




Goth Girls

Goth girls are hot. So we decided to photograph and draw a bunch of them for the magazine. I can't really think of any other justification for putting them in than that!

Well-Illustrated Women



Photographs show the women as they really are. But pictures, paintings and illustrations are man’s attempt to capture that beauty.

Miscellaneous MILFS

Ravenna the Raunchy Redhead

We managed to get an interview with the prestigious and ravishing Ravenna, a famous supermodel, as she impatiently waited for the photographer to get his act together.

PIG: Hi Ravenna, it's great to see you again. How does it feel to pose for our magazine again?

Ravenna: Yeah, hi.

PIG: How's your modelling career going these days?

Ravenna: Can you tell the photographer to hurry up? I need to get to lunch soon.

PIG: Okay, thanks for the interview. We'll print it in our next issue.

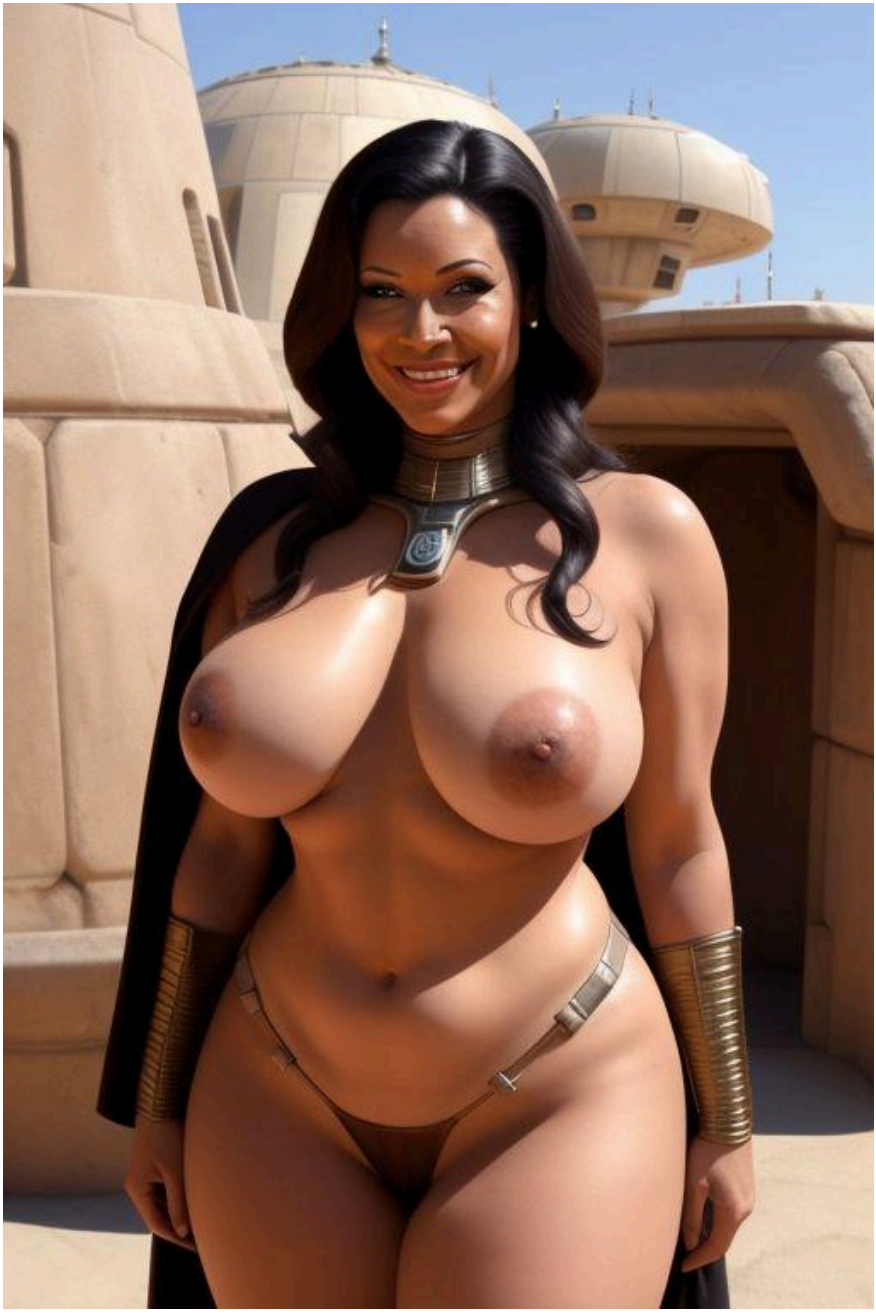
Ravenna: Yeah, whatever.

Reina Valderaz: Model Extraordinaire

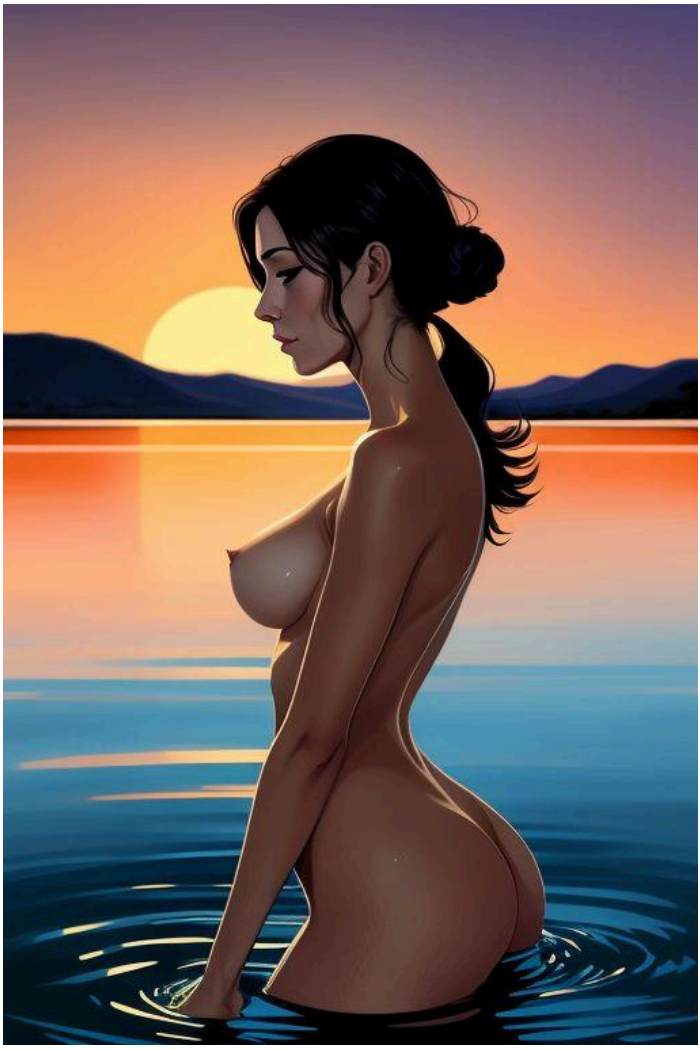
Reina is a professional fashion model. The 57-year-old voluptuous lady who hails from Argentina, visited Melbourne recently and we persuaded her to pose for us. After a little more coaxing, she agreed to get in her underwear. Then fully nude. She said, “I initially had no intention of ever taking my clothes off. But the cute photographer said how much he wanted to see me uncovered. I had a crush on him and didn’t want to disappoint that handsome hunk. I posed nude and discovered I liked it. Now I’m going on a date with him tonight.”

Science Fiction Cosplay

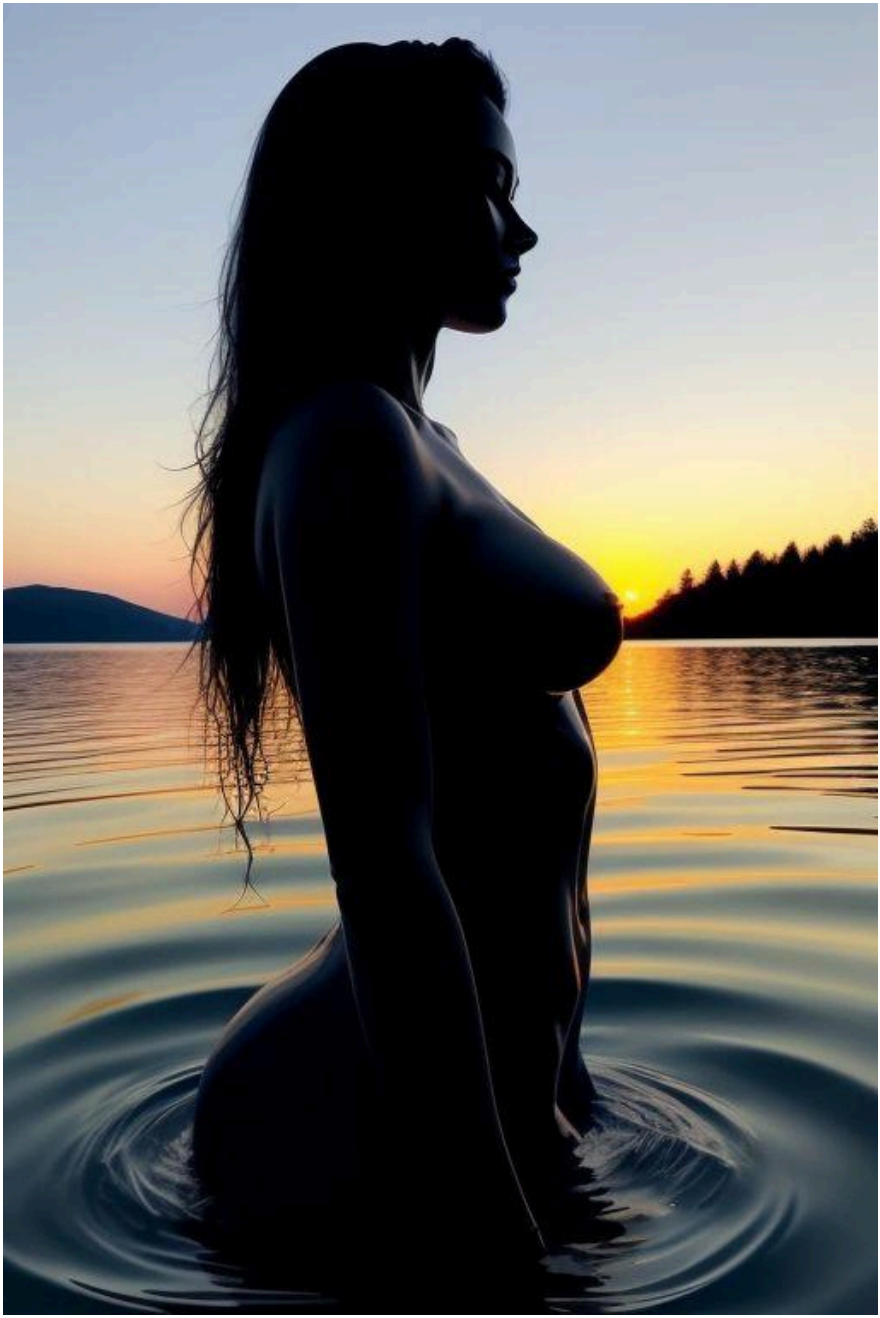
One of our photographers used the latest technology (AI bots) to be taken to a different universe. This world is AGES AGO, in A GALAXY REALLY DISTANT FROM HERE. Disclaimer: this definitely has nothing whatsoever to do with popular science fiction franchises - especially those owned by Disney. And it’s satire, so chill out!

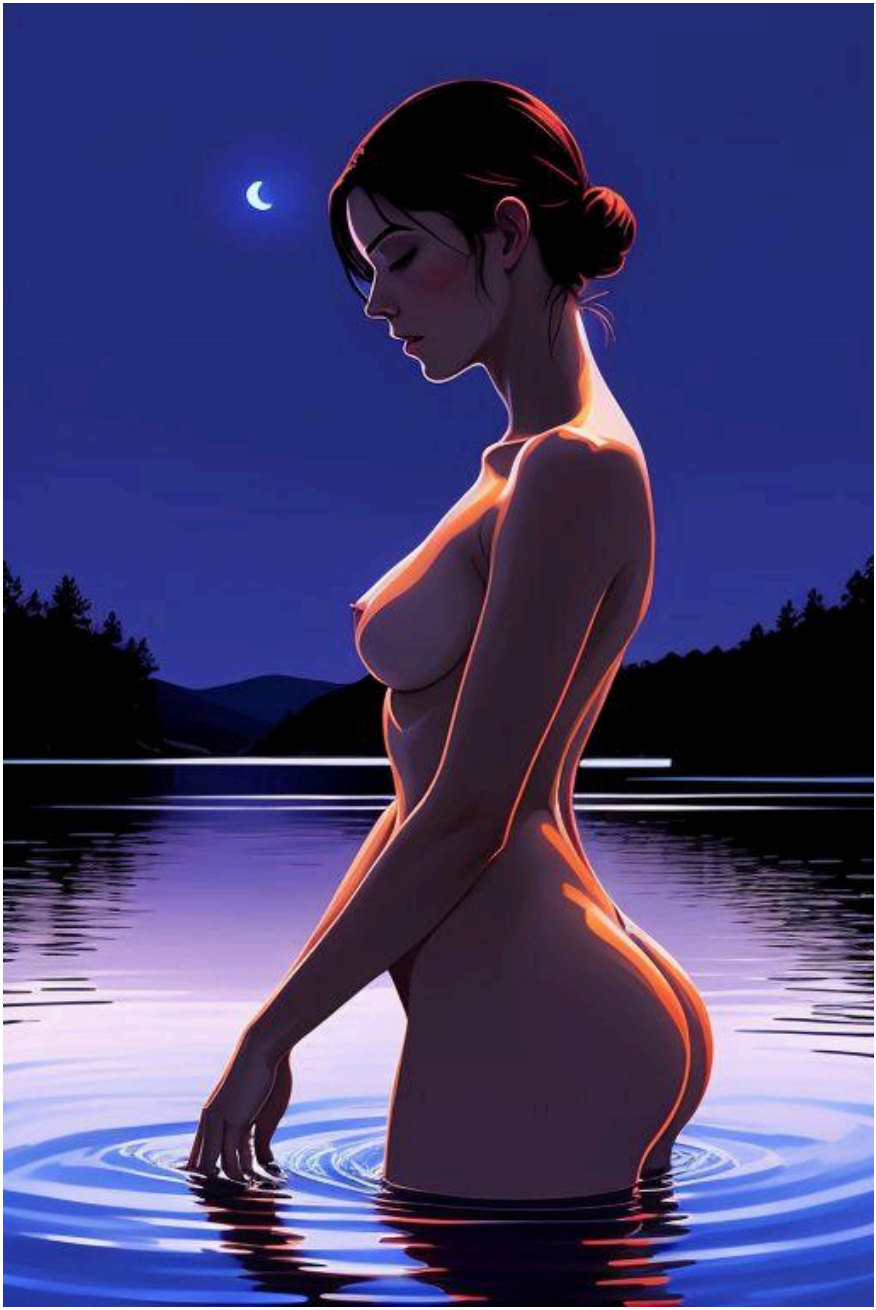


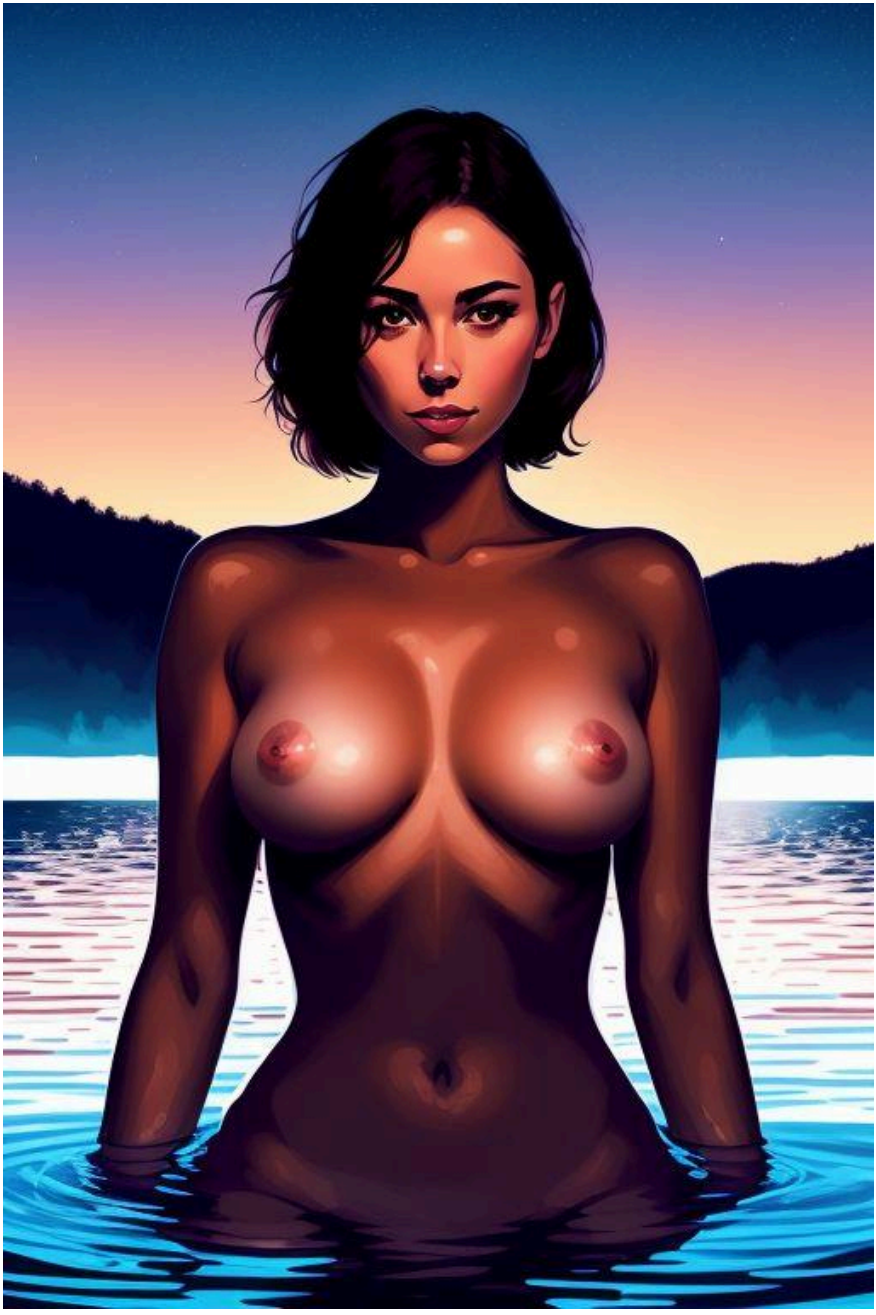
Women Wading in Water

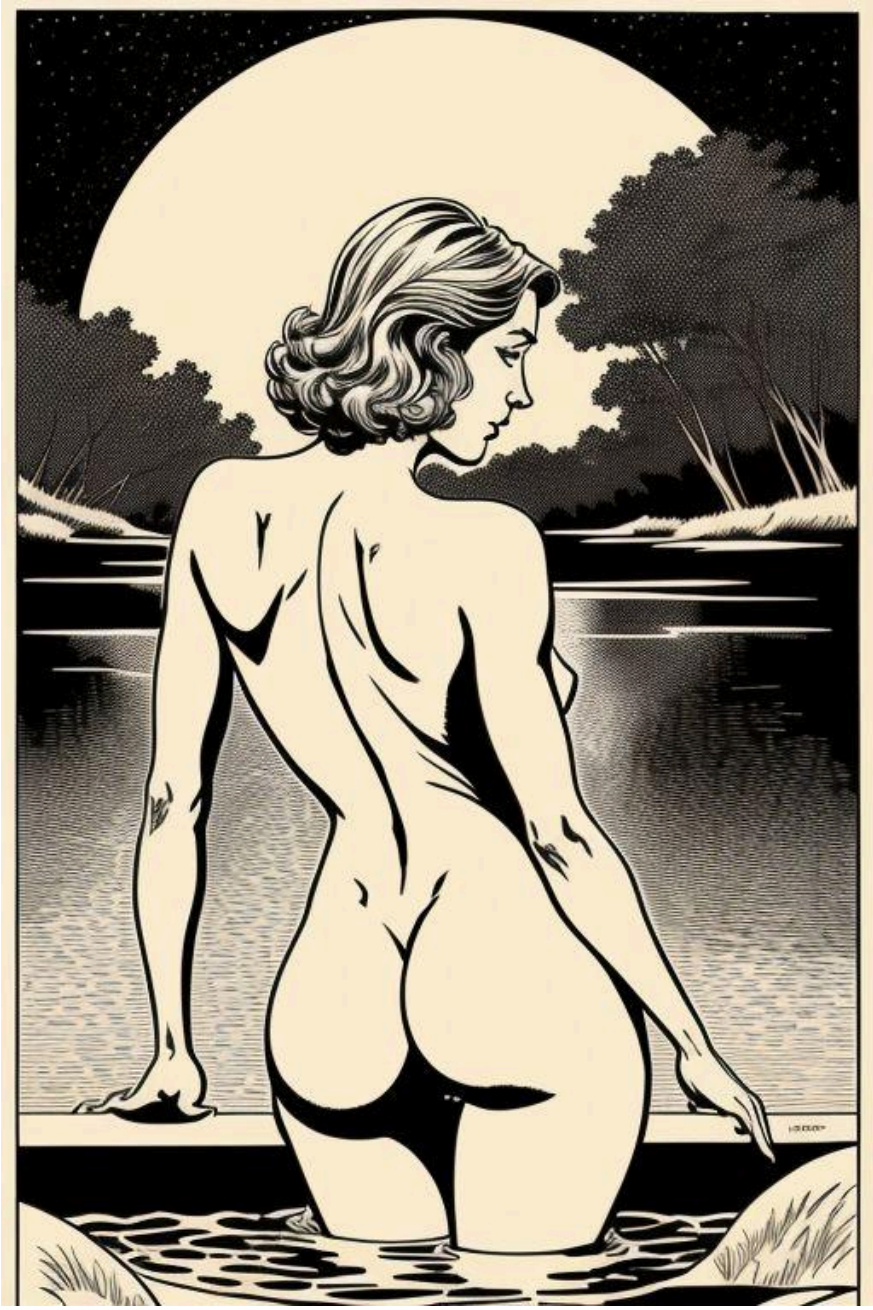


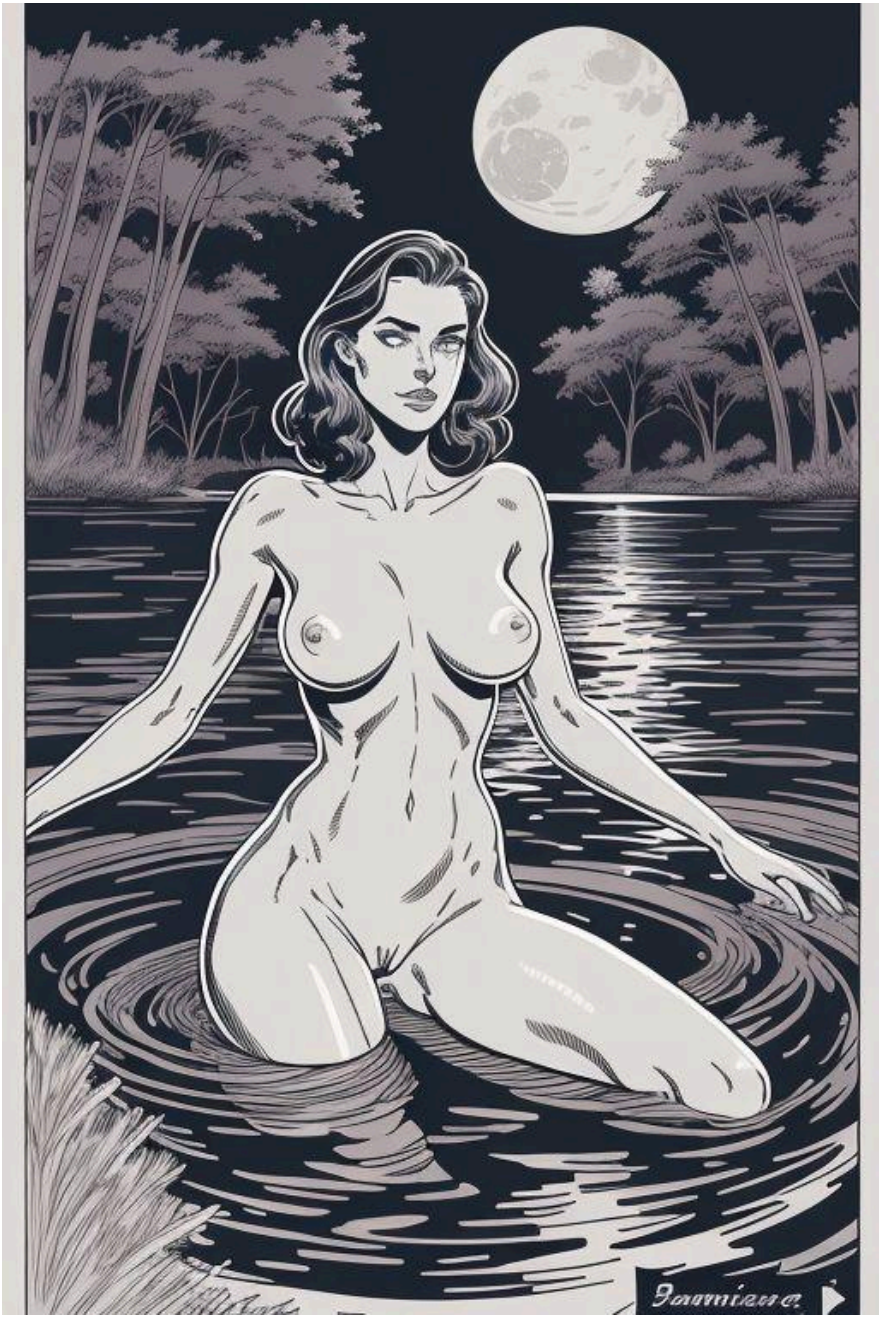
One thing women love is bathing in cold water at night, under the moonlight, away from the gaze of leering eyes. If you happen to meet a woman bathing nude, and she's agreeable to it, get her to stand still while you do a painting of her. Hopefully she can stay long enough as you paint.

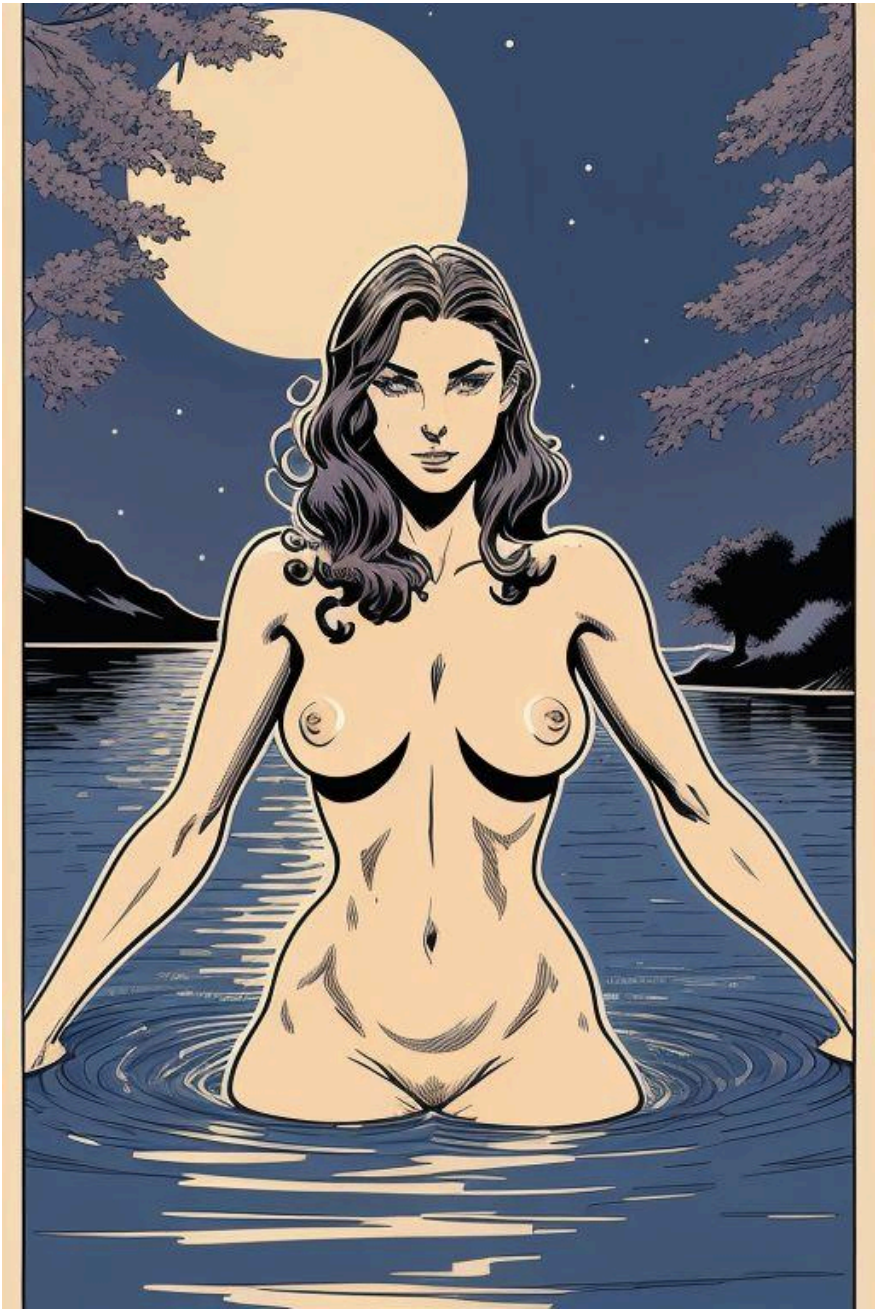


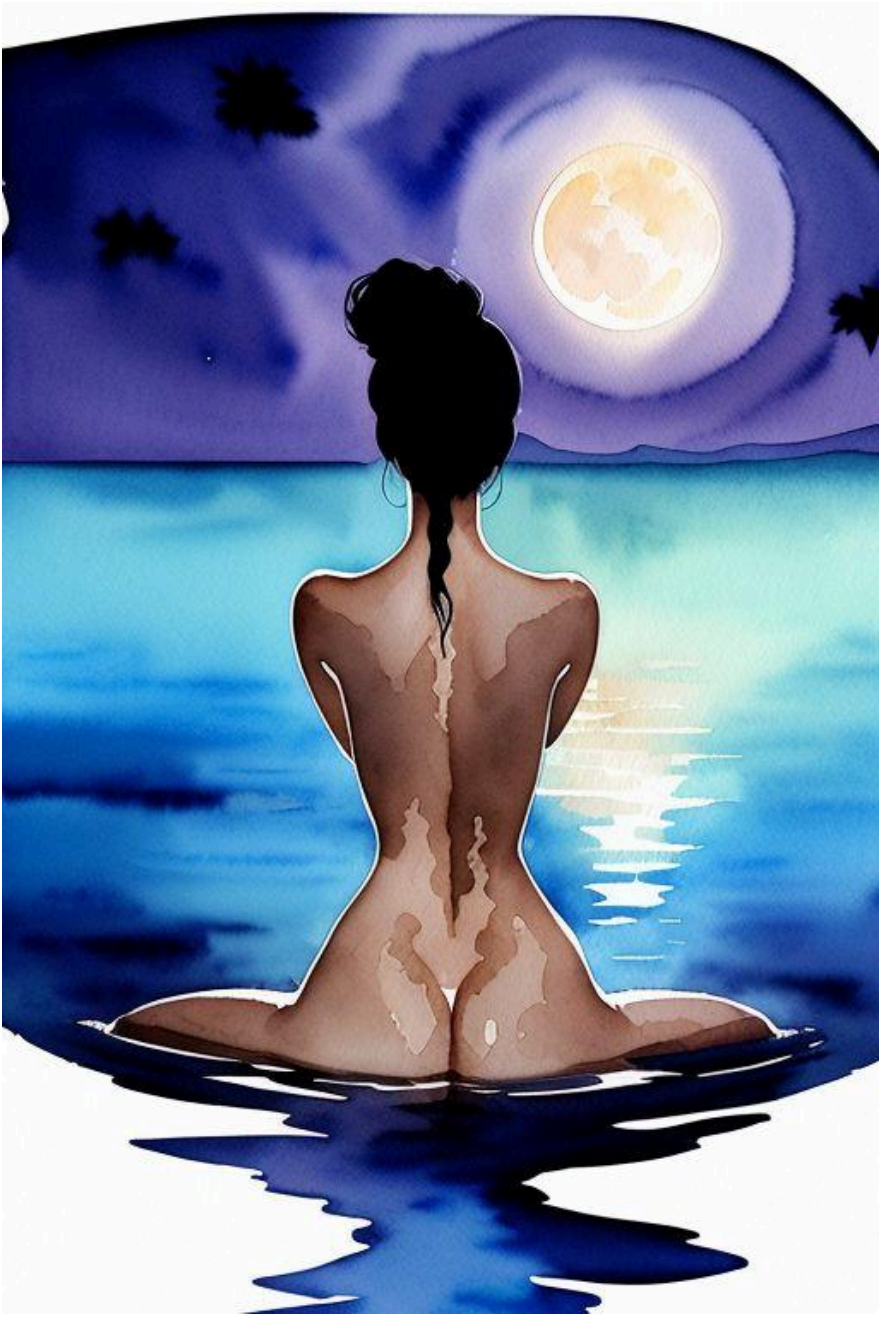


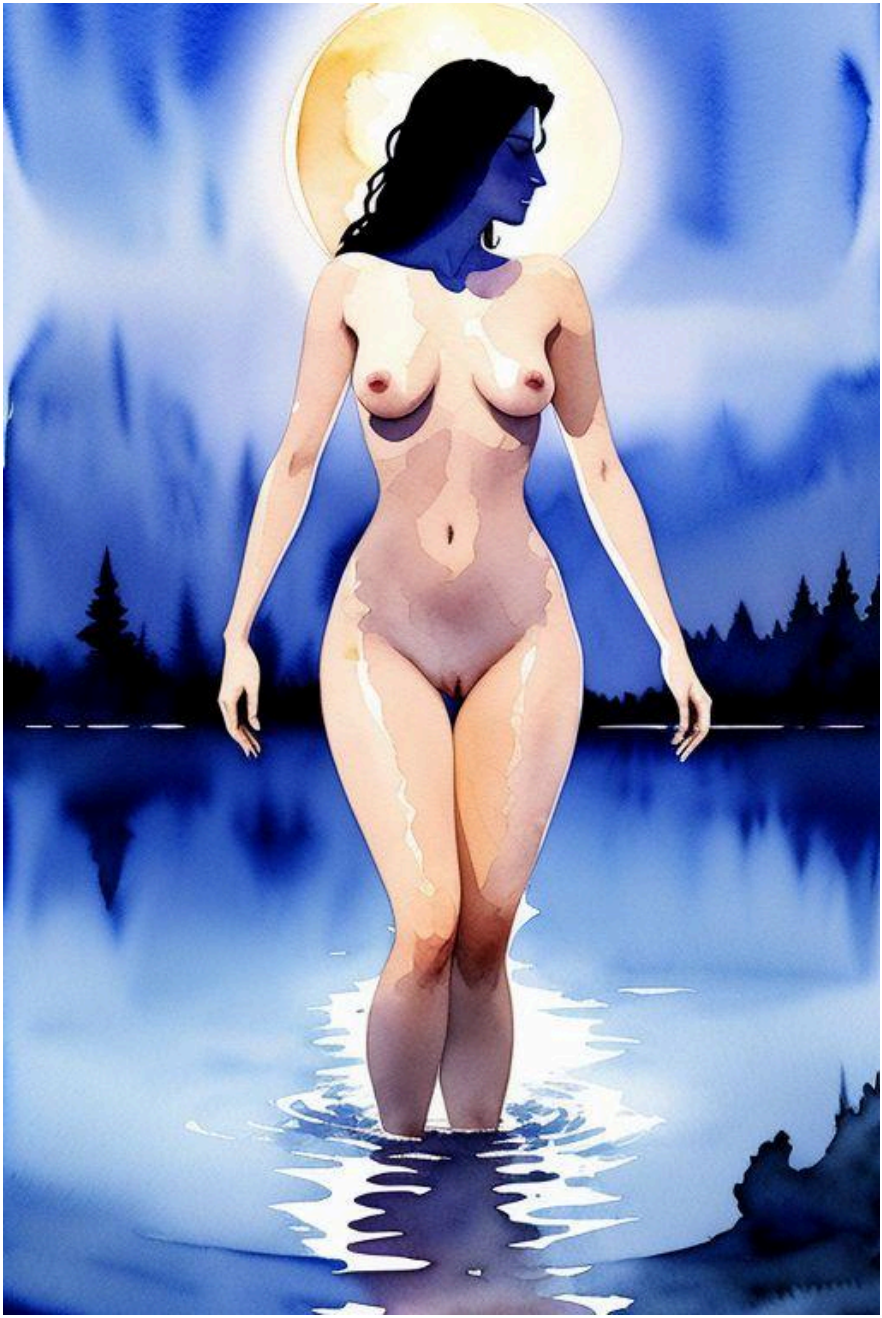


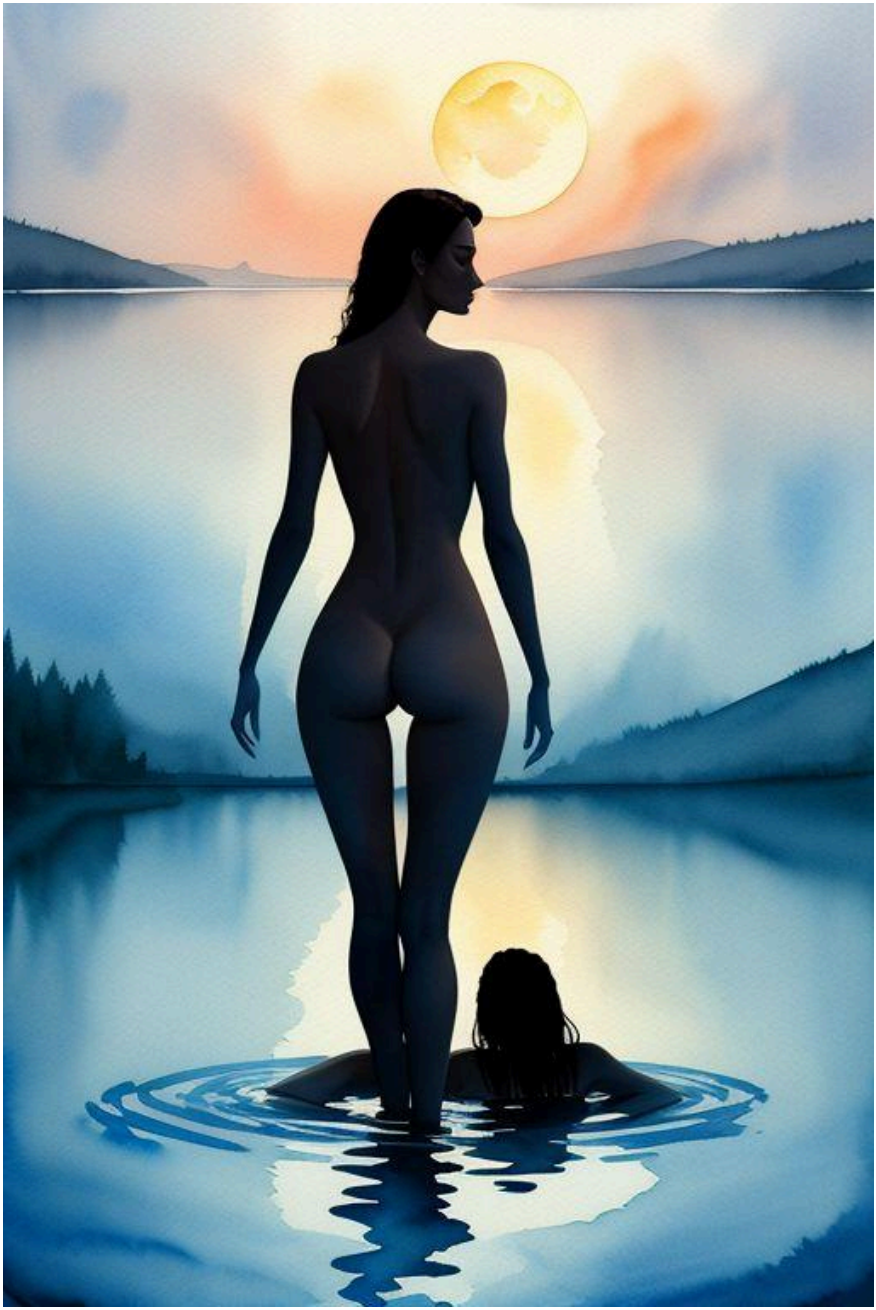


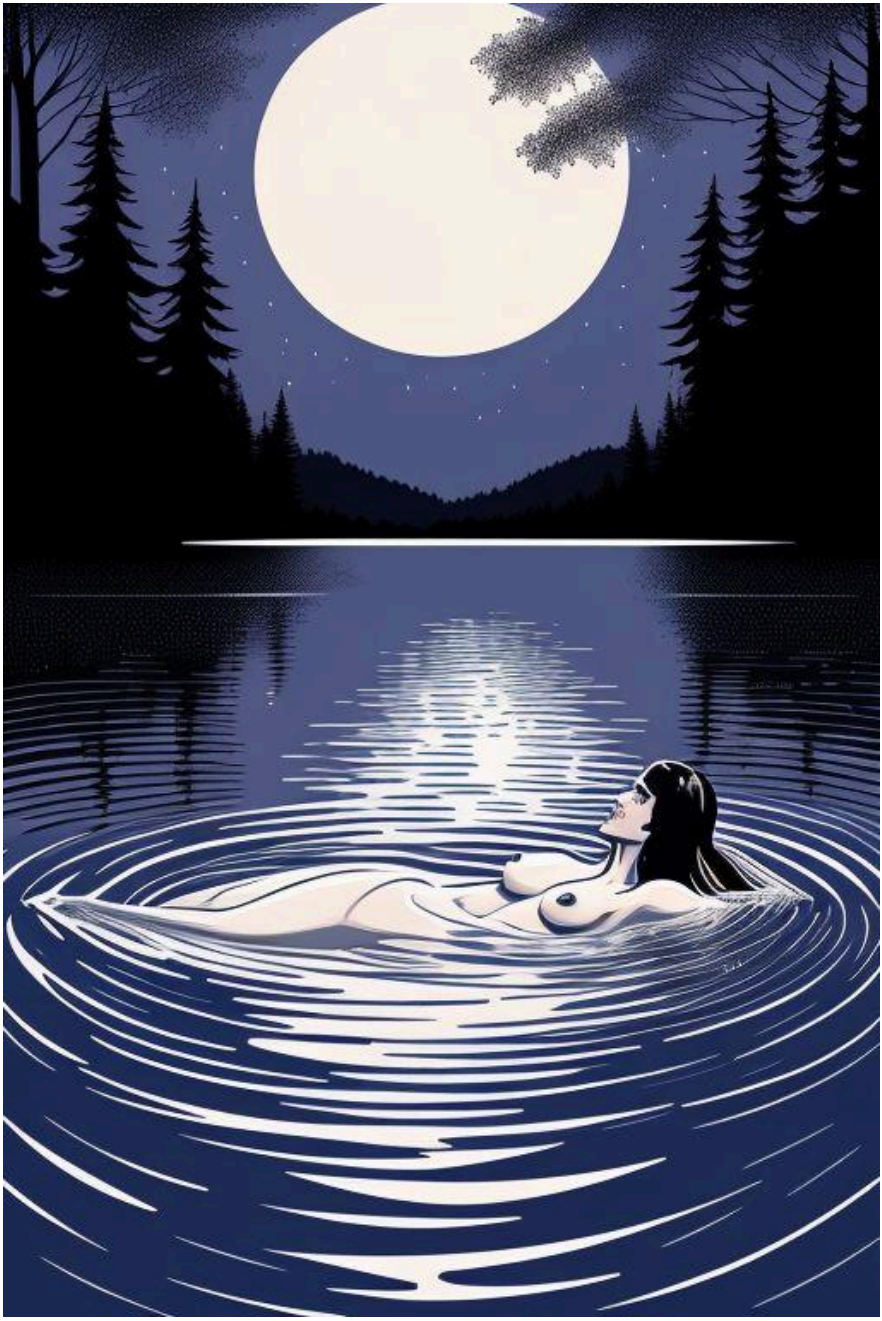


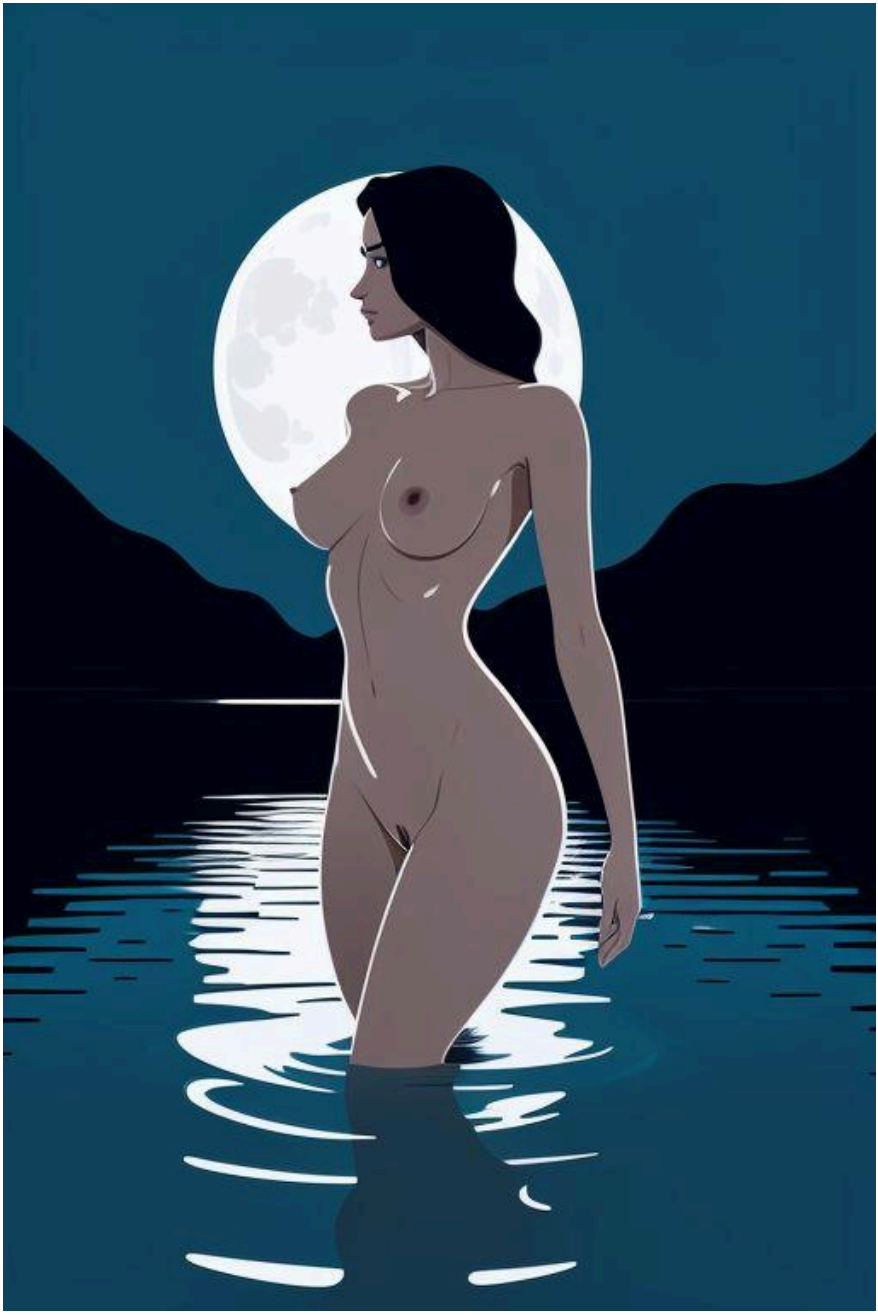




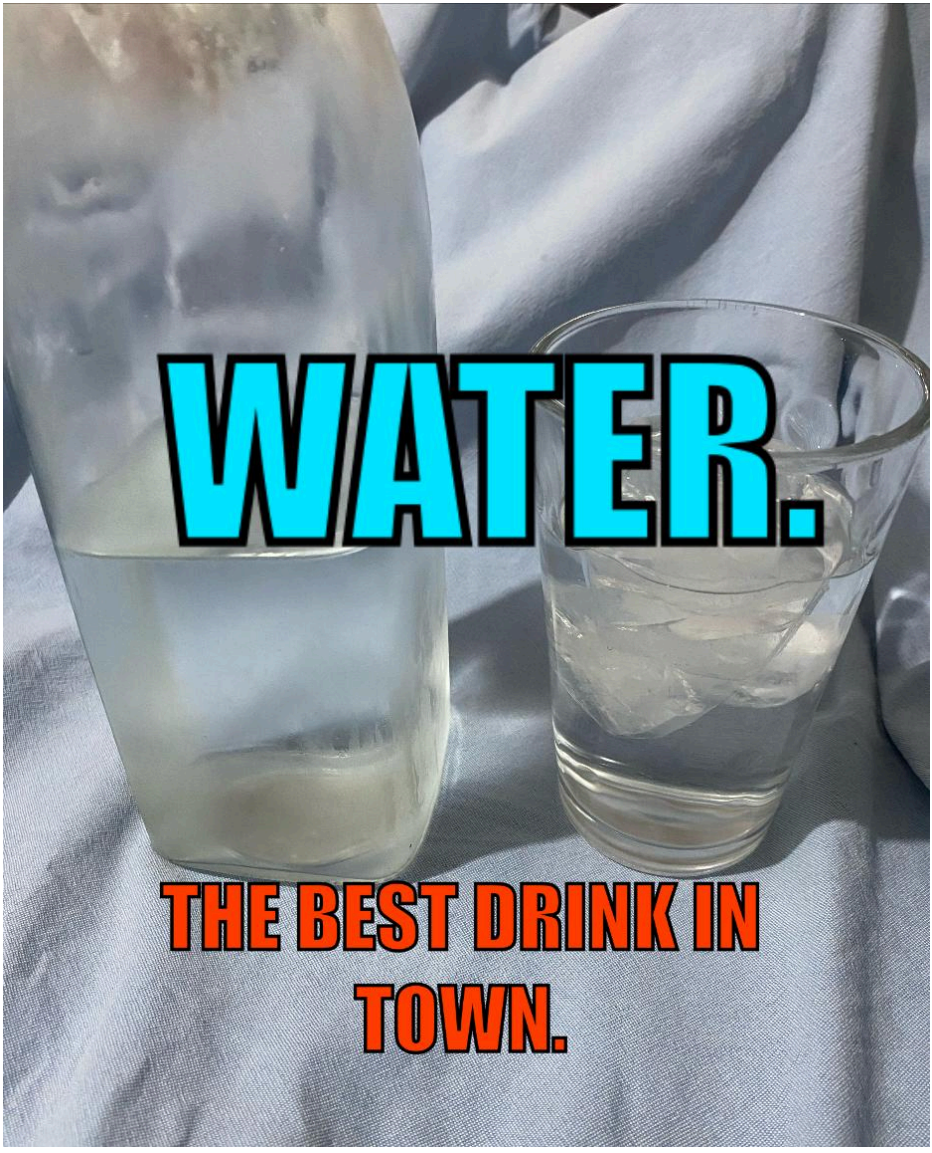








Thanks for reading & looking. Merry Christmas, happy holidays, and stay safe!



Don’t drink alcohol this Christmas and New Year’s. Don’t be a statistic or a dweeb. Save your money and drink lots of water.
